MEMORANDUM FOR: Colonel Lansdale

STAT SUBJECT: [redacted]

REFERENCE: Your memorandum, same subject, dated 23 December 1958

1. I appreciate your memorandum of 23 December 1958, offering to help us have [redacted] detailed to the Agency again. STAT

2. Our Military Personnel Division has reviewed this case informally with the Infantry Branch, Department of the Army. We learned that for a number of reasons, including compassionate reasons on the part of Major STAT [redacted] family, the Infantry Branch is assigning Major STAT [redacted] to Fort Bragg, North Carolina, this summer when he completes Command and General Staff College. Considering the compassionate aspect of this case, and Major [redacted] expressed request for an assignment at a military post, where he can have quarters on post and have ready access to medical facilities, I consider it best to allow Major STAT [redacted] to get his family back on an even keel before another assignment. STAT

3. We will reopen this case about January 1961, because I agree with you that Major [redacted] would be a valuable asset to this organization. STAT
